WINTER AT WIGGINS!

After some record breaking cold weather in late January, our tropical paradise has finally returned. The weather is gorgeous, the pools are busy, pickleball and tennis are underway, and our social events are lively. Winter life at Wiggins is **WONDERFUL!!!**

Our Communications Committee, Art Dietze, Roger Jonas, Maria Strazzante, and Sue Szachowicz (Board Liaison), want to keep our community engaged. We are always looking for additional members of our committee, so please consider joining us - you do NOT need to be a Pulitzer Prize winning journalist. We could use help on this. Also, we welcome your suggestions about what to include in our newsletter, so please reach out to us with your thoughts and ideas at:

Maggie Herrmann
Director

THANK YOU GARY DOYLE! It is with deep gratitude—and more than a little appreciation—that we thank Gary Doyle for his extraordinary service to the Wiggins community.

Gary stepped up to serve on the Board in the wake of Hurricane Ian, when our community was facing one of the most challenging periods in its history. His steady leadership, positive outlook, and commitment to moving us forward helped guide Wiggins through a very difficult time.

As Board president, Gary recognized that our growing needs required a full-time property manager and worked diligently to make that happen. He supported the important work of all our committees—Landscaping, Communications, Rules, and Social—understanding that a strong community depends on engaged volunteers working together. After his tenure as President he continued to serve our community as the Secretary of the Board. Throughout his service, Gary has been supportive, respectful, and a true believer in teamwork. His motto says it all: “Let’s have some fun and get stuff done!” And that’s exactly what he helped us do.

Board service requires countless hours of meetings, emails, decisions, and follow-through. We are also grateful to his wife Kathy for her unwavering support during his time on the Board. Behind every dedicated volunteer is often a very patient and supportive partner!

Gary is now stepping off the Board, and while we will certainly miss his leadership, we are profoundly thankful for all he has done to make Wiggins a better place for us for all. **THANK YOU GARY!**

WELCOME MAGGIE HERRMANN!!!

We are equally pleased to welcome Maggie Herrmann to the Wiggins Board of Directors. Maggie and her husband Jeff have owned in Wiggins for ten years. As snowbirds from Wisconsin, they spend as much time here as possible. As Maggie puts it, “The sun, beach, and warmth are my happy place!” We can certainly relate!

Maggie recently retired after more than twenty-seven years in law enforcement—a career that speaks to her dedication, integrity, and commitment to service. We are grateful that she is now stepping up to serve our community.

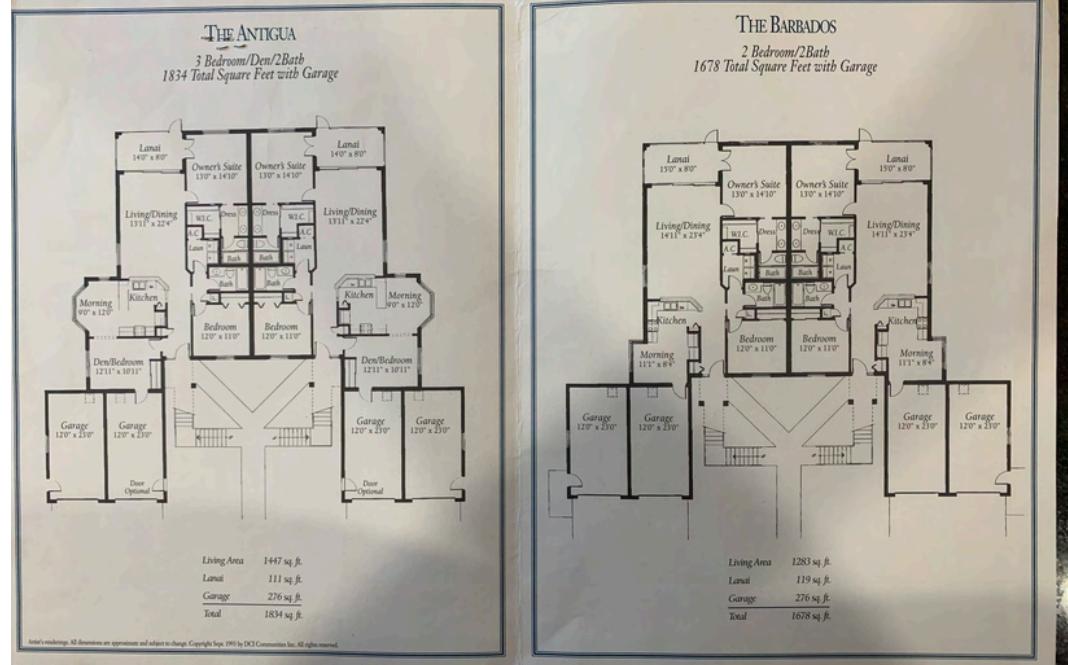

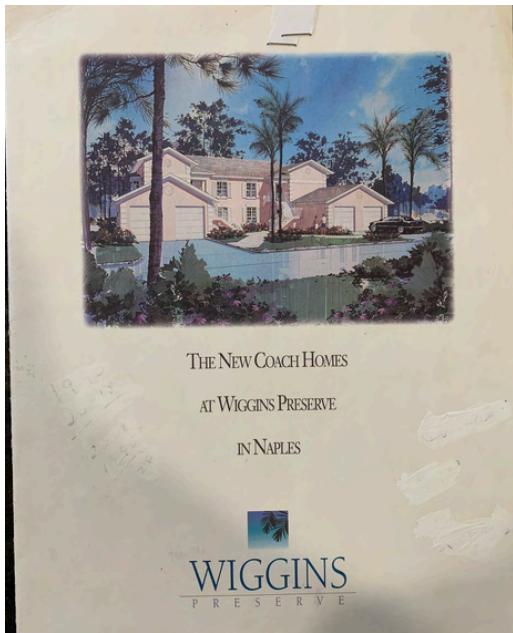

In her words, “I am ready to get involved in our community to keep it the incredible place it already is.” That spirit of appreciation and engagement is exactly what makes Wiggins strong.

Please join us in welcoming Maggie. We know she will be a wonderful addition to our Board, and we look forward to working together as we continue building a vibrant, positive, and thriving community. Here’s to teamwork, gratitude, and a bright future at Wiggins!

Memories of Wiggins - Back in the Day

Communications Committee member Art Dietze has some of the original material from when his family first bought at Wiggins. Here are some images of the Preserves in their beginnings:

In Case You Were Wondering... Which Lake is which?

There are five lakes in Wiggins. Here is how to identify the location of each lake:

Lake 1: Closest to Wiggins Pass Road, and behind 781 Wiggins Lake Drive

Lake 2: Behind 790 Wiggins Lake Drive and the buildings on the west side of Wiggins Lake Court

Lake 3: Behind 760 Wiggins Lake Drive and the buildings on the east side of Wiggins Lake Court

Lake 4: On the south side of Wiggins Lake Drive near the bridge, and between 691 and 729 Wiggins Lake Drive

Lake 5: Behind 661 Wiggins Lake Drive and near the corner of Gulf Harbor Drive and Pan Am

Bird lovers: Keep your eyes open. We've had a Great Blue Heron hanging out at Lake 3. There may be a nest in the area!

The THREE condo associations in our community

Owners new to our Wiggins Community might hear people talking about whether they live in “The Lakes” or “The Preserves.” To help you understand the make up of Wiggins, we are including which buildings are in which association. The condos (long buildings) are called The Lakes. Then, in the next stage of development, the coach homes were built in two phases, P1 and P2. This resulted in three different associations within our one community. These three associations merged into our one Wiggins Lakes & Preserve.

Lakes: All Lakes buildings (the long buildings) have twelve units under one roof:

757 Wiggins Lake Drive
760 Wiggins Lake Drive
765 Wiggins Lake Drive
773 Wiggins Lake Drive
774 Wiggins Lake Drive
781 Wiggins Lake Drive
790 Wiggins Lake Drive

TOTAL: 84 units

Preserve 1: (P1) All Preserve buildings (the coach homes) have four units under one roof:

651 Wiggins Lake Drive
654 Wiggins Lake Drive
657 Wiggins Lake Drive
660 Wiggins Lake Drive
743 Wiggins Lake Drive
744 Wiggins Lake Drive
747 Wiggins Lake Drive
752 Wiggins Lake Drive

TOTAL: 32 units

So the total number of units in our WLP community is 212.

Preserve 2: (P2) All

Preserve buildings (the coach homes) have four units under one roof:

431 Wiggins Lake Court
434 Wiggins Lake Court
437 Wiggins Lake Court
440 Wiggins Lake Court
443 Wiggins Lake Court
449 Wiggins Lake Court
661 Wiggins Lake Drive
665 Wiggins Lake Drive
668 Wiggins Lake Drive
671 Wiggins Lake Drive
675 Wiggins Lake Drive
679 Wiggins Lake Drive
680 Wiggins Lake Drive
683 Wiggins Lake Drive
684 Wiggins Lake Drive
687 Wiggins Lake Drive
688 Wiggins Lake Drive
691 Wiggins Lake Drive
729 Wiggins Lake Drive
733 Wiggins Lake Drive
736 Wiggins Lake Drive
737 Wiggins Lake Drive
741 Wiggins Lake Drive
768 Wiggins Lake Drive

TOTAL: 96 units

Our MEXICAN DINNER AND GAME NIGHT!

Nobody left our Clubhouse hungry after our Mexican Taco Dinner catered by Iguana Mia. And a thank you to all who brought some appetizers and desserts to complement our Make Your Own Taco menu. It was DELICIOUS! Then after dinner, we broke into randomly assigned teams. Then Jodi and Rich Dilley led the group in a series of fun games that got everyone engaged and laughing. Great food, great friends, and great fun - it doesn't get better than that!

Our Valentine's Coffee Social

Our morning coffee socials have proven to be one of the most popular gatherings at Wiggins! Thirty five neighbors came together to enjoy each other's company AND the delicious pastries that our Social Committee provided.

It's relaxed, casual, and FREE!!! A wonderful way to meet your neighbors, share stories, and enjoy the food! If you haven't attended one yet, definitely try to make our next one in March!

FEBRUARY IS FLAMINGO BINGO!

The Clubhouse was filled with pink flamingos and bright tropical colors as we celebrated our tropical paradise with our Flamingo Bingo. The evening saw lots of people counting their money from the jackpots and our 50-50! Thanks to Bill and Sue Szachowicz for running the event, to Mitzi Fazzola and Maria Rino for handling the BINGO card sales, and to George Fazzola and Donna McKenna for

for running the 50-50 drawing. We hope you come to our March Bingo and join the fun!

FLAMINGO BINGO! (Cont)

Every Tuesday night at 7 PM in the Clubhouse, a group plays Mexican Train, a popular, friendly domino game. You do NOT need to be an expert player, or even know how to play at all. Just come to the Clubhouse and join in. Bring some coins to join in - \$1.50 is all it takes.

OUR WIGGINS BOOK CLUB: The Literary Ladies and Gentlemen of Wiggins

Do you love to read? Discuss books? Enjoy great company with wonderful friends? And enjoy tasty goodies?? If the answer is yes to those questions, please join us for our Wiggins Book Club. We meet on the third Thursday of every month at 7 PM in the Clubhouse. It is open to everyone! If you would like to get on the email list, send an email to: sueszach@aol.com.

Benjamin Franklin wanted the official symbol and official bird of the United States to be the wild turkey. Fortunately, the Bald Eagle won out.

The official symbols of Canada are the beaver and the Maple Leaf. The official bird is the Gray Jay.

Bald Eagles are not bald: the name derives from an older meaning of the word, “white headed”.

Bald eagles are exclusive to North America and very common in Florida as Florida ranks third in density behind Alaska and Minnesota. Bald eagles are found near bodies of water where they can search for fish. Major flyways (migration routes) include the Mississippi River, the panhandle of Alaska and the Strait of Georgia between Vancouver Island and the mainland of British Columbia.

We have our own bald eagles in Wiggins as a pair likes to perch above the pickleball courts and we see others fly over us and swoop over the pool.

Fun facts about eagles:

- The Bald Eagle has been our national emblem since 1782.
- Eaglets grow faster than any other bird in America. Eagles weigh 4 ounces when they hatch and grow up to 12 pounds in three months!
- An eagle's wingspan is 7 to 8 feet.
- The distinctive white head and tail feathers appear when the eagles mature at 4 or 5 years old.
- The adults will often return to the same nest year after year, making additions to the nest each year.
- Some nests can reach up to 10 feet across, 13 feet deep, and weigh up to 2000 pounds!
- Females are about 25% larger than males and the plumage is identical.

A Quick Laugh Before You Scroll On...

- I used to envy people who could do a cartwheel... but now I'm jealous of anyone who can get up off the floor without making grunting noises and holding onto furniture.
- I just found out the neighborhood had a meeting about the crazy person on the block. It's weird that they didn't invite me.
- I asked myself if I'm okay and we both started laughing.
- I got myself a seniors GPS. Not only does it tell me how to get to my destination... it tells me why I wanted to go there.
- Finally old enough to do anything I want. Too tired to actually do it.
- At my age the closest I get to pole dancing is gripping the shower bar for dear life.
