MESSAGE FROM DEREK: Dear Owners, Our February Annual Meeting is coming up next Wednesday, and this message serves as our final call to submit your proxy before the meeting!!

First off, I'd like to thank all owners who have already submitted their proxies, especially those who did so through GetQuorum. Your prompt participation is greatly appreciated and helps us move closer to meeting quorum. Even though there are no items up for vote this year, we must still achieve a quorum in order to hold the meeting. Proxies are essential to making that happen. All owners are encouraged to submit a proxy, even if you plan to attend in person. Submitting a proxy helps us reach quorum and serves as your representation should you be unable to attend; it does not prevent you from attending or participating in the meeting.

If you need a proxy, you may stop by the clubhouse and one can be printed for you, or it can be emailed upon request.

REMINDER – The meeting is Wed, Feb 11 at 3 PM, and I would like to share a few important procedural details to help ensure the meeting runs smoothly and starts on time.

Owners are encouraged to arrive early, as we will begin the meeting promptly at 3 PM. Early arrival is especially important for those who plan to attend in person and still need to submit a proxy. Please note that proxies may only be submitted prior to the start of the meeting. **Once the meeting has been called to order, no additional proxies can be accepted.** Arriving early will allow time for check-in, proxy submission if needed, and seating so that we may begin without delay.

Thank you for your cooperation and for helping us conduct an efficient and successful Annual Meeting. We look forward to seeing you there.
