Week of May 25 – May 31, 2026

Hello Wiggins Residents: Reminder - the Board sends out this [Wiggins Weekly](#) on the weekend reporting on the previous week and also alerting you to any important notifications for the week ahead. If you have a question for us, send an email to sueszach@aol.com. We will do our best to provide the information you request.

- WATCH FOR OUR SURVEY ON LANDSCAPING – WE WANT YOUR INPUT!** As we discussed in the May Board meeting, the final phase of our landscaping recovery from the devastation of Hurricane Ian is restoring the landscaping behind our buildings. We have received a proposal from Leo Jr. to complete all remaining areas for approximately \$100,000. We would like your input on how we fund and proceed with this project. Our partner, Get Quorum, will be sending out a survey we developed to every owner. The survey describes three options. It is very brief, but very important. We hope that you will take a moment to select only ONE option that you prefer and return the survey. The survey will be sent via email by Get Quorum; we will send an email blast as soon as it has been sent out. Your participation in this survey will help guide the Board’s course of action. We thank you!

- PICKLEBALL DURING THE SUMMER?-** With the arrival of the rainy season, and hurricane season beginning on June 1, we take down the rolling pickleball nets to protect them from rust and wind damage. But we do have a portable net available to our owners who may be here during the summer and want to play. Last year our Social Committee purchased a portable Selkirk net. It is easy to assemble and weighs 19 pounds so it’s relatively easy to carry. It is kept in the Clubhouse. Any owner can sign out the portable net to enjoy during the summer months. Just see Dana in the Clubhouse and she will provide you with the sign-out form. This system will be in place until we roll out the big nets in October when our Wiggins pickleballers return.

- LAST CALL FOR RULES SUGGESTIONS** – Our Rules Committee will again be reviewing our Rules and Regulations. They have already received several suggestions for some revisions and additions. The Rules Committee will first review and discuss owners’ recommendations and determine if they will advance those to the Board for a vote. If you have specific recommendations about rules changes, send them to Dana using the **Message to the Manager** and she will forward your suggestions to the Committee.
