

Wiggins Lakes and Preserve homeowners:

You have all received previous communication regarding the efforts of the paint committee. The group most recently completed the painting of the East pool house with the new color so that we could all view it in person prior to the vote. Since many of you have not been able to travel this year, the attached video will allow you to see the new color and the new pool furniture. Enjoy!

A few reminders regarding this project:

A vote will be conducted along with the regular annual vote in the Fall of 2021

- A YES vote will mean changing to the new color (Perfect Greige SW 6073)
- A NO vote will mean everything remains the current color (SW custom Wiggins salmon/orange)

Painting is on our normal schedule and will begin in the Spring of 2022

The next opportunity to change the color in the development with **no** special assessment and such a quick turnaround will be in 2030
